

The Children of Akron Need Your Help...
Do You Have What It Takes?

Ididaputt 2011

*“A Minigolf Contest and Winter Sledding Race
to the Finish to help Children in Akron”*

Background

The concept of Ididaputt was inspired by the *Iditarod Dog-Sled Race* that commemorates the 1925 dog sled delivery of diphtheria serum that saved the lives of children of Nome, Alaska.

Event Description

There will be a 9-hole minigolf course set up on the snowcapped landscape of Lock 3 where two-person teams will complete as many holes as they can in *one hour*. Teams must also pull a sled (or wagon) along the course filled with donated children's toys, clothes, hats, and gloves.

Before the event, teams will collect pledges from friends, family, businesses, etc. to make a donation for each completed hole. Therefore, the more holes teams complete, the more they raise!
